Dear Ms Nanda,

Allow me to introduce myself. I am Professor Carla Rinaldi and I am currently President of Fondazione Reggio Children – Centro Loris Malaguzzi.

It is with deep regret that I must inform you that Mrs Maria Barbara Donnici of Fondazione Reggio Children will be unable to attend the Didact India Event scheduled to take place from 17 -19 October 2023 in Bengaluru, India, due to unforeseen health reasons.

Mrs Maria Barbara Donnici had been looking forward to participating in this esteemed event. However, a recent medical condition has made it impossible for her to travel and fulfill this commitment. We understand the importance of this event and the inconvenience this may cause, and we sincerely apologize for any disruption this may cause to the conference program.

We kindly request your understanding and consideration in this matter, and we hope to have the opportunity to participate in future events. Mrs Barbara Donnici will be most disappointed to miss this valuable opportunity for networking, knowledge sharing and collaboration.

If there are any formalities, fees, or other administrative matters that need to be addressed due to this cancellation, please inform us, and we will ensure they are handled promptly.
